COACHES:

Previous Coaches who have not indicated their return are asked to indicate at time of sign-on whether they will still be available for this season. If you have not coached a team last year and would like to be involved with a team this year, please indicate to the Registrar of the division concerned so teams can be formed quickly. We intend to hold Coaching Clinics within the club again this year - all interested members/players are welcome to attend. The Club will pay all these clinic costs. Getting coaches is a Registrar's nightmare and any offers, regardless of experience, early would be much appreciated.

Remember for NEW PLAYERS - Please bring along a Birth Certificate, Driver's License or a Passport document to be sighted for registration. We are not allowed by FFA to register you without them. This is compulsory by Football Federation Australia.

GROUND IMPROVEMENTS, LIGHTS - were completed for the 2008 season and have proved very successful. All competitive teams had at least one game since then under lights. Last year Rovers members assisted Council by laying 7,500sq. Metres of Turf to completely reurf Bill Harris field. If you have been past, you will see that the field now looks like something that we all at Rovers should be very proud of. It is now a World Class playing surface.

LICENCED BAR: Again, this year all clubs with a licensed bar must have at least two club officials on duty during senior games. We would like people to come forward to offer assistance in this duty. Could interested persons please make yourself known to our Committee Executive. In addition, if there is anyone who has the R.S.A. certificate and can help behind the bar voluntarily; Jill would like to hear from you so that you can assist in running this club. Your support of this facility would be greatly appreciated as this helps generate much needed income.

CANTEEN: If Possible could we please get more Mums, Dads, Grandparents, Girlfriends, Boyfriends or anyone to assist with the operation of the Canteen. This is our main income stream for the club but we urgently need more members to be involved to assist in keeping it open and functioning. Unfortunately, if more people cannot be found there may possibly come a time that you might find it shut when you require something. Please contact our Canteen Co-ordinator, Susan Johnston Phone 66221055 if you could help at some stage this coming season.

Notice to Parents & Players over the age of 18 Years - Enclosed is a ROVERS Club Membership Form which should be filled out by one Parent and brought along on the day you come to sign up your child/children. It will save you some time if you fill it out before coming to the Clubhouse. This form is for you (one parent) to become a Member of ROVERS Soccer Club under the Incorporation Act. We are also asking for your email address, if you have one. This year, we will be making contact mostly by email as postage has increased again. Players over the age of 18 years should sign the form in their own right. By completing this form it entitles you as a Member of our Club to have full voting rights at our monthly meetings which are held on the second Tuesday of each month, we would like to see more Members at our Club meetings. In doing so, we feel that Members input will enable the Club to function at the highest level. In addition, we have included the clearance required by our Club for the publication of any photographic and/or video images and personal information relating to children's involvement in the game, in any form of media without compensation or additional approval from the parent - this is required under the Act. Hoping you will enjoy your 2011 Soccer season with ROVERS SOCCER CLUB.
