March/April 2011

Our soccer season has started with teams in Anzac Cup and Callan McMillan. We wish all teams' involved good luck and hope to see a few teams through to the finals. These will be held on Anzac Day Monday 25th April at Oakes Oval and Crozier Field, Lismore from 12:30pm to 8:00pm. We wish all teams the best of luck.

This year games start as following:

- Junior non-competitive teams (grade 6 to 11), **Saturday 30th April 2011.**
- Junior competitive teams (grade 12 to 16/17), **from Friday 8th April 2011.**
 - Senior point score, **from Friday 1st April 2011.**

As these dates become closer draws will be able to be obtained from the Football Far North Coast website or from the clubs website: www.roverslismore.org were a link will send you to the Football Far North Coast website. It is also a good practise to check The Northern Star every Thursday before games were the soccer draw is printed. Games can be changed at the last minute, checking these resources will make sure you are at the right place at the right time.

Just to let everyone know that there will be no games on the Easter weekend from Friday 22nd April to Sunday 24th April. With the final being played on Anzac Day Monday 25th April.

To address the issue with washed out games, this year Rovers will have a message set up on the clubhouse phone with a recorded message with games that are on or off. All you have to do is ring Rovers clubhouse on 66221974 and listen to the message, all details will also be able to be obtained from our website.

We are finally in the process of getting our website up and running, so get on-line and check it out. www.roverslismore.org. All information that you will need to know should be on this website or a link to the information on another website. Please logon and check it out, specially our sponsor's page, try and support these sponsors when you can. If you have any comments on the website please email the publicity officer on the website.

Note to coaches, managers and players, we ask if you could reframe from training on our main field in front of the club house. We would appreciate your assistance with this matter, this way we can try and keep our fantastic field in the best possible condition for the entire season. We also all need to be aware of clothing worn under club uniform when taking the field, this is concerned with skins. It is a rule from football far north coast that the colour of skins or other garments need to be the same colour as the main colour of the chosen club. For example under black shorts only black skins can be worn, with the top half only white skins or white tops can be worn underneath. As our away stripe is red on the top, means that only a red top can be worn underneath. All players must have the same colour skins under shirts, shorts etc can't have half black and half white nor can you have different shades of a colour. Whatever is the main colour worn is the colour that is needed to be worn underneath. If any one does not apply to these requirements they will be asked to leave the field by the referee which there will be no substitution and the game will not stop. Once the situation is rectified then you will be able to enter the field when allowed by the referee. If you do not resolve the problem you can be given a yellow card.

So please be aware of this situation.

Note to coaches, managers and players continued: Also the situation with jewellery, all jewellery is suppose to be removed before taking to the field, you are not allowed to tape up any items.

This includes wedding rings.

Once again as our soccer season gets under way we ask that members can put their hand up and help out in the club were possible. We need help maintaining our grounds as well as canteen volunteers to help serve in our canteen, and also with getting the fields set up before and after games, if you can help out at all please come and see us at the clubhouse and you will be pointed to the person you need to speak to.

Volunteers!

A little help can go a long way if everyone can help out.

We really need volunteers to help in the canteen. The girls that give their time out to organise or canteen need help from everyone. Once the soccer season starts a roster is made up for teams to come in and help out for an hour or so, teams coaches and managers are contacted when it is their teams turn. These roster times coincide with teams playing at Rovers, they are normally before or after the team plays. When it is your teams time for roster duty please volunteer to help out. We only need 2 to 3 parents, grandparents, boyfriend or girlfriend to come in and help out. Without the help of volunteers we would not have a canteen. So please just give an hour of your time to help. It is a great way to be involved in the club and make new friends. Even if it is not you teams roster to be in the canteen if you are at the field go and ask if they need a break for 15 minutes so they can have a break.

Help Wanted

This year we have a different style of socks, they are black with the word Rovers down the side in white. These socks are what are needed to be worn to take the field; socks can be purchased from the canteen for \$10.00.

We also have 50th anniversary as Port available to be clubhouse for

Red and White wine as well purchased from the **\$10.00 a bottle.**

We also have black and white booklets available for **\$15.00.**

We at rovers would like to extend a welcome hand to all new and past members and wish everyone a safe and exciting season for 2011.
